

WIL

AKS Foundations

Scaling WIL

Placement - visit employer to assess.

Fed Uni Proposal - 0 credit points

documented attendance at broadening activities
Expos, Seminars, workshops by employers, NICTA etc
trade shows

throughout 3 years -

Fed uni + 125 projects - simulated projects & real clients

Placement - challenging esp. for lots of geographically remote students.

- placing struggling students

Final year Projects

exemplars

Proxy client - in front of the real client
- re-use project
- industry client picks best one.

Structure is important → workshops for skills.

Assessment bys
peer-review meetings
Process →
Swapping groups using document - but comes down.

2-3 weeks
